PRE APPOINTMENT CARE

We've got a few quick tips for prepping for your appointment so we can enhance your natural beauty.

- Please wash twice, and condition once the night prior to your appointment (refrain from using Pantene, Palmolive, Tresemme and Sunsilk)
- Avoid using any heat tools prior to your appointment, we recommend you blow dry only
- It is best to wear clothing that can be easily removed when changing into your event outfit, we recommend a loose t-shirt, a zipped or buttoned top
